

Recent Aventuras

Students & staff shared a once in a lifetime experience in **Peru**, visiting the ancient **Incan cities**, climbing up 14,600 feet high to the Sacred Valley, & exploring the majestic **Machu Picchu** ruins.

Some students got in touch with the magical **cloud forest**, while others were **kayaking** their way through dolphins in the beautiful Golfo Dulce.

Costa Rican Celebrations

Mother's Day in Costa Rica was celebrated with a delicious 3-course dinner on campus (featuring ceviche, yum!). Homestay mothers were treated as queens as they were served and attended to by the NSA gentleman... serenata included!

Costa Rica celebrated its **190th Anniversary of Independence** on September 15th. We enjoyed a typical breakfast and dance presentation from a local group of young students.
